SAWTELLE BOULEVARD CLOSURE TONIGHT

CULVER CITY – The California Department of Transportation (Caltrans) will close all lanes of Sawtelle Boulevard in both directions between Braddock Drive and Culver Boulevard nightly from 10 p.m. to 6 a.m. on Wednesday, March 21 and Thursday, March 22.

Detours will be signed.

The closure is in connection to the \$167 million High Occupancy Vehicle (HOV) project on I-405 from Route 90 to I-10. The project is expected to complete late 2008. It is an extension of the HOV lane project on I-405 from the Century Freeway (Route 105) to Route 90.
